

REMARKS

The title of the original specification of the instant application included the wording "BEAM-INDUCED CURRENT." However, the title indicated on the Notice of Allowance for the instant application changed that originally filed wording to "BEAMINDUCED CURRENT." This error in the title was caused by the Office and is merely correcting a formal matter in the application. Applicants request that this correction be made in the instant application.

If for any reason the Examiner feels that consultation with Applicants' attorney would be helpful in the advancement of the prosecution, the Examiner is invited to call the telephone number below.

Respectfully submitted,

April 6, 2007
